The Mare Owner will be issued a valid breeding certificate for the WPCSA by the Stallion Owner when the mare is checked in foal, all paperwork has been returned, and all fees and/or expenses have been paid. For the purpose of this contract, the term "breeding season" shall be defined as the period from February 1, 2012 to July 1, 2012 at which time all breeding will be discontinued until the following season. Shipments may be made after July 1st upon request, but will be subject to our availability at the time.

This contract is not assignable or transferable without written consent. A copy of the mare's registration papers must be included with this contract for all registered Welsh Mares. When the mare owner signs and returns this contract (and it is signed by Megan Burtness, BridleWood Welsh), it becomes a binding contract on both parties, subject to the above terms and conditions. The mare owner irrevocably agrees that his/her sole recourse against BridleWood Welsh with respect to the performance or non-performance of this contract is return of the stallion service fee, less the booking fee. Stallion services fees are not refunded unless the stallion dies or becomes unfit for service. In that eventuality, the mare owner may choose a refund of the service fee, or choose a breeding to another stallion owned by BridleWood Welsh. The terms of this contract shall be governed by the laws of the State of California.
